The Owner shall submit his proposal as per above to the Commissioner MCGM. While making such submission, he will take care of the following:

(i) He shall distinctly mark lands for AH, POS, OA and Owner’s share in the layout. Further earmarking of lands for other amenities like education, health and social amenities cited above shall be done by the Commissioner taking the amenity standards prescribed as minimum.

(j) Advance possession of all lands other than the Owner’s Share as detailed in the table above shall be handed over to MCGM at the time of approval of layout. The ownership shall be transferred in the name of MCGM within one year from the date of advance possession or seeking commencement certificate beyond plinth of the development of Owner’s share, whichever is earlier.

(k) The Land Owner shall have the option of developing AH, OA and handing them over to the MCGM. However, area earmarked for POS, AH, OA shall be levelled along with construction of compound wall before handing over to MCGM.

(l) The development of AH & OA shall be as per specifications laid down by the Commissioner, within three years from date of approval to the individual building plans of AH and OA, unless extended by the Commissioner for valid, recorded reasons.

(m) Provision of amenities as per Regulation No. 14(A) and 15 shall not be applicable for development under this Regulation.

		Upto 2.00	85%	80%	90%
				95%	100%

Explanation:-
(i) *RC is the rate of construction in respect of R.C.C. Construction, as published by the Chief Controlling Revenue Authority & Inspector General of Registration, Maharashtra State in the Annual Statement of Rates.
Provided further that in case there are more than one land rates applicable to different parts of the plot under the Urban Renewal Scheme, a weighted average of all the applicable rates shall be taken for calculating the Average Land Rate and the Basic Ratio.
Provided further that for calculation of the Basic Ratio, the Land Rate (LR) and the Rate of Construction (RC) shall be taken for the year in which the Cluster Development Project is approved and LOI is issued by the Authority competent to approve it and the said ratio shall remain unchanged even if such Scheme undergoes any revision or modification subsequently during its course of completion.
"tolerated structures" encroaching upon the roads in nearby vicinity shall be allowed to be included in the Urban Renewal Scheme and its BUA shall be included in rehabilitation area, provided such structures are permanently removed.
Explanation: -The term "tolerated structure" means the structure used for residential or non-residential purpose and existing prior to 17th April 1964 or 1st April 1962 respectively.
e) It shall be permissible to implement the sanctioned Urban Renewal Scheme in phases. The development in each phase is strictly in conformity with the Master Plan/Layout Plan approved for the entire Urban Renewal Scheme.

The minimum area for each phase shall be as decided by the Planning Authority.</p> <p>5. Development of DP Reservations:--</p> <p>Construction or reconstruction of slums/buildings falling under Reservations contemplated in the Development Plan shall be permissible as per Regulation No 17(3)(C)(II).</p> <p>6.30% of the Incentive FSI can be used for non-residential purposes as otherwise permissible under the DCPR.</p> <p>7. Development cess at the rate of 100% of Development charge otherwise applicable subject to a minimum of Rs 5000 per sq. m for the BUA over and above the Zonal (basic) FSI, for the rehabilitation and incentive sale component, shall be leviable in respect of any URS by the MCGM in accordance with the time schedule for such payment as may be laid down by the Commissioner, MCGM. This amount shall be kept in a separate account and shall be used for the improvement of off-site infrastructure around the urban renewal cluster. Development cess shall be in addition to development charges levied as per section 124 of MR&TP Act 1966.</p> <p>This surcharge shall not be applicable to the BUA to be handed over to the MCGM or any Public Authority in lieu of reservation or to the amenity areas to be handed over to the MCGM as per the requirement indicated by the MCGM or the Empowered Power Committee.</p> <p>8. The temporary transit camps may be permitted in the same Urban Renewal Cluster or elsewhere in MCGM limits on land belonging to the Planning Authority up to 4.00 FSI with the concessions permissible under SRA. Scheme under Regulation 33(10) of these DCPR. Such transit camps shall have to be demolished after full occupation certificate is granted to the Rehabilitation Component by the Officer appointed by the Planning Authority for the reconstructed building. Till the transit camps are fully demolished, the Officer appointed by the Planning Authority shall not release FSI for the Incentive component area under the URS in excess of 75% of the total admissible Incentive FSI.</p> <p>9.
